EXAMINER'S COMMENT AND STATEMENT OF REASONS FOR ALLOWANCE

Comment on Submissions

1. This Office Action is responsive to the Amendment and Remarks filed on 5 January 2007.

Allowable Subject Matter

2. Claims 10-20 are allowed.
3. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 10 and 18, the claims are considered allowed for reasons of record as noted in the Remarks filed 5 January 2007. In particular, the examiner notes that the arguments (p. 6-7) that the mode of operation of the Odom is so different from that of the Craig reference that one skilled in the art would not have looked to Odom to modify Craig is convincing.

The remaining claims are allowed on the basis of their dependency.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
